RE: ADDENDUM NO. 1 TO REQUEST
FOR PROPOSALS (RFP)
PACKAGE: Storm Water Pollution
Prevention Plan (SWPPP) Review
and Compliance
RFP #02542027

FAX TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. Submittal deadline is not changed.

2. QUESTIONS AND ANSWERS

Q1. Please verify if there is a DBE requirement for the SWPPP Review and Compliance Monitoring RFP?

A1: Yes, refer to RFP-A, Section 15, Special Notices, 15.2, and RFP-C, Section II, Criteria 10. While the DBE goal for this RFP is set at 0%, criterion 10 is weighted, and will be scored as indicated in criterion 10. Proposed DBE participation is race neutral.

Q2. Do we need to include a completed DBE Utilization Report if we propose using a DBE?

A2. No, per RFP-A, Section 15, Special Notices, 15.3, the DBE Utilization Report form has been discontinued. If criterion 10 is weighted, proposers shall address proposed DBE services in their proposal response to criterion 10.

Q3: Is a firm who is successful in being the highest ranked offeror in response to this RFP (02542027) eligible to also propose, and possibly be awarded one of the other two RFPs that Central Region currently has advertised for Term Agreements for Storm Water Pollution Prevention Plan Inspections in the Anchorage Area (RFP 02542025) and the Storm Water Pollution Plan Inspections in the Kenai and Remote & Region-wide Areas (RFP 02542026)?

A3: There is no restriction regarding firms being awarded more than one of the contracts resulting from RFPs 02542025, 02542026, and 02542027. All proposals received will be scored in accordance with the published evaluation criteria for that RFP.

All other terms and conditions remain the same.

END OF ADDENDUM

We appreciate your participation in this solicitation.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sharon L. Smith".
